

Fiscal Year 2008 Annual Water Quality Funding Cycle Process Steps

FY 2008 Funding Cycle Notes:

- Applications will be accepted from September 1, 2006 through October 31, 2006.
- Application Workshops will be held in the first two weeks of September. Notices will be mailed out and posted to this web page when scheduling is complete.
- FY08 Application Forms and FY08 Funding Guidelines will be posted on the web site by July 31, 2006.
- The FY08 Application and Guidelines will be very similar to the FY07 documents.
- All loan prerequisites, such as facility plans for design projects or design/specifications for construction projects, must be approved by Ecology by the October 31st application deadline.
- Statements of Agreed Priority are due by 5:00pm on December 14, 2006.
